An (*Amended*) Open Letter

Honorable Governor Bill Walker and Assembly for the City and Borough of Juneau

State of Alaska

License to Practice Law

Introduction

As you know, several vacancies have opened for replacement "Judges" for the "Courts" of the "State of Alaska." You are also aware that you, "Governor Bill Walker" has selected "Amy Mead" of the "Law Department" for the "City and Borough of Juneau" at "Juneau Alaska" as the replacement "Judge" for the "Superior Court,"

First Judicial District” at “Juneau, Alaska.” Under normal circumstances, the appointment of “Judicial Candidates” into an “Office of Trust” of a “Judge” would be a moment of “congratulations,” but no such “congratulations” is warranted.

This is a letter requesting the production of “photo-copies” of the “License” to “Practice Law” of “Amy Mead” and other “Judicial Candidates” for the positions of “Superior Court Judge” for the “State of Alaska.” This “license” requirement is established by “Statutory Law” and the “Constitution” for the “State of Alaska.” (*infra.*)

This is an “amended letter” to the “letter” dated “July 15, 2018” (**Certified Mail No. 7017 0660 0000 4864 8412**) and that part of the “letter” which addresses the “Office Qualifications” of the “Governor” for the “State of Alaska” is included and made a part of this “letter” as if it was quoted fully herein.

Judicial Officers

Many have been in receipt of “letters” and “e-mail” messages that have been addressed to “Governor Bill Walker” from “Gordon Warren Epperly” which asserts that the “Alaska State Constitution” ^{1/} (*and by an enactment of “law”* ^{2/}) mandates that all “Judges” are to be “Licensed” to “Practice Law” and be members of the “Alaska BAR Association.” These “letters” and “e-mail” messages are posted on the “Internet” for public viewing at: “<https://tinyurl.com/y8lc7l2c>”.

^{1/} Alaska Constitution, Article IV, Section 4 - “Supreme court justices and superior court judges shall be citizens of the United States and of the State, **licensed to practice law in the state**, and possessing any additional qualifications prescribed by law. ...” [*Emphasis added*]

^{2/} AS 08.08.020(a) – “**Every person licensed to practice law in the state** shall become a member in the Alaska Bar. All active and inactive members in good standing as of September 14, 1976, shall be considered to be members.” [*Emphasis added*]

The "Alaska State Constitution,"³ mandates that the issuance of "Licenses" to "Practice Law" is with the "Governor" (or his authorized delegated "Officers" of the "Executive Branch" of government of the "State of Alaska") in his authority to "execute" the "laws" of the "State,"⁴ not with any "Judge" of the "Judicial Branch" of the "government" (notwithstanding the assertion of "Alaska BAR Rule 1, Section 2;"⁵ and "Alaska BAR Rule 9(a)"⁶).

A request has been presented to the "Alaska Judicial Council" and to "Governor Bill Walker" for the production of "Office Qualifications" in the form of "Photo-Copies" of the "Licenses" to "Practice Law" as issued under the "signature" of a "Governor" or any delegated "Officers" of the "Governor" for those "Candidates" who have, or will be appointed as "Judges" to the "Courts" for the "State of Alaska."

^{3/} Alaska Constitution, Article III, Section 1 - "The executive power of the State is vested in the governor." [Emphasis added]

Alaska Constitution, Article III, Section 24 - "Each principal department shall be under the supervision of the governor." [Emphasis added]

^{4/} Alaska Constitution, Article III, Section 16 - "The governor shall be responsible for the faithful execution of the laws. ... enforce compliance with any constitutional or legislative mandate ..." [Emphasis added]

^{5/} Alaska BAR Rule 1, Section 2: "Only those persons who fulfill all requirements for admission as provided by these rules shall be admitted to the practice of law in the State of Alaska and all be members of the Alaska Bar Association," [Emphasis added]

^{6/} Alaska BAR Rule 9(a): "The license to practice law in Alaska is a continuing proclamation by the supreme court of the State of Alaska (hereinafter the "Court") that the holder is fit to be entrusted with professional and judicial matters and to aid in the administration of justice as an attorney and counselor, and to act as an officer of the courts." [Emphasis added]

At the present time, no such “Documents” have been received by the “people,” the “Press,” or by “Gordon Warren Epperly.”

Incompatibility

Looking to the “Constitution” for the “State of Alaska” at “Article IV, Section 4” (see *footnote #1*), we see that “Justices” and “Judges” are to be “licensed” to “practice law” and then at “Article IV, Section 14” of the “Alaska State Constitution” we see:

“Section 14. RESTRICTIONS. Supreme court justices and superior court judges while holding office may not practice law, hold office in a political party, or hold any other office or position of profit under the United States, the State, or its political subdivisions. ...” [*Emphasis added*].

Under the above “Section 14” of the “Alaska State Constitution,” we see the phrase “holding office” which leaves us wondering as to what “Office” the “supreme court justices” and the “superior court judges” may be holding when “Article IV, Section 12” of the “Alaska State Constitution”^{7/} declares that “Judges” are not “Civil Officers”:

“Impeachment of any justice or judge ... in the performance of his official duties shall be according to procedure prescribed for civil officers.” [*Emphasis added*].

Are the “Justices” and “Judges” for the “State of Alaska” practicing law? This question has been answered in “Rule 2” of the “Alaska BAR Rules”:

“Alaska BAR Rule 2. Eligibility for Admission

“Section 2(c). For the purpose of this section, the “active practice of law” shall mean at least 750 hours per year in one or more of the following activities:

^{7/} It appears that when a “Constitution” declares that “Judges” and “Justices” of the “Courts” are not “Civil Officers,” the message being sent is that the “Courts” for the “State of Alaska” have been “privatized” and they are not operating under the “Judicial Branch” of “government” of the “State.” It appears they are operating as “Tribunals” of a “Corporation,” the “Alaska BAR Association.” This is another statement declaring that the “people” of the “State of Alaska” do not have a “Republican form” of “government.” [*Emphasis added*]

“(5) serving as a **judge** in a **court** of the United States, its **states**, its territories, or the District of Columbia; or ...”

The question has also been answered in the “Alaska State Statutes” at “A.S. 22.05.070”:

“AS 22.05.070. Qualifications of Justices.”

“A justice of the supreme court shall be a citizen of the United States and of the state, a resident of the state for five years immediately preceding appointment, have been engaged for not less than eight years immediately preceding appointment in the active practice of law, **and at the time of appointment be licensed to practice law in the state. The active practice of law includes**

“(1) **sitting as a judge in a state or territorial court;**

“(2) being actually engaged in advising and representing clients in matters of law;

“(3) rendering legal services to an agency, branch, or department of a civil government within the United States or a state or territory of the United States, in an elective, appointive, or employed capacity; ...” [*Emphasis added*].

and at “A.S. 22.10.090”:

“AS 22.10.090. Qualifications of Judges.”

“A judge of the superior court shall be a citizen of the United States and of the state, a resident of the state for five years immediately preceding appointment, have been engaged for not less than five years immediately preceding appointment in the active practice of law, **and at the time of appointment be licensed to practice law in the state. The active practice of law shall be as defined for justices of the supreme court in AS 22.05.070” (*supra.*). [*Emphasis added*]**

What is the purpose of the “Alaska State Constitution, Article IV, Section 3” requiring all “Judges” to obtain a “License” to “Practice Law” and then having “Alaska State Constitution, Article IV, Section 14” instructing “Superior Court Judges”

and “Supreme Court Justices” not to “practice law” while holding “Office”? It is obvious that these two “provisions” of the “Alaska State Constitution” are “incompatible” and due to their irreconcilable “repugnancy” with each other, the “two provisions” are automatically “nullified” out of existence.

And then we have “BAR Card Member Legislators” enacting “Statutory Laws” of “A.S. 22.05.070” and “A.S. 22.10.090” declaring that **ALL** “Superior Court BAR Card Judges” are “practicing law” from the “bench” of the their “Courts” while these same “BAR Card Members” tell us through their “Alaska BAR Rule #2” that only those “Judges” that are active for more than 750 hours are the only “Judges” that are “practicing law.” As these “provisions” of “Statutory Law” and “BAR Rules” are not only in “conflict” with “themselves,” they are “repugnant” to the “prohibition” provisions of “Alaska Constitution, Article IV, Section 14” which automatically “nullifies” each of them out of “existence.”

But let us not lose sight of the issue at hand, the “License” to “Practice Law” as issued out of an “Office” of the “Executive Branch” of “government” for the “State of Alaska” under the “signature” of the “Governor” or any of his delegated “Officers” and the production of the “photo-copies” of those “Licenses” for “public viewing.”^{8/} If there are any “fees” to be charged, please advise.

^{8/} See AS 40.25.110. Public Records Open to Inspection and Copying; Fees.

In regard to Judge Candidate, "Amy Mead" - the "Staff" and "Members" of the "Assembly" for the "City and Borough of Juneau" ("CBJ") have announced within the local newspaper of the "Juneau Empire" on "Friday, July 20, 2018" that a search is on for a replacement "City Attorney." There is a "duty" of the "Staff" and "Members" of the "Assembly" to "verify" the "Office Qualifications" of its "Attorney Candidates" which includes the "inspection" of an "Alaska BAR Membership Card" and a valid "License" to "Practice Law" as issued under the "signature" of the "Governor" for the "State of Alaska" or the "signature" of any one of his authorized "Department Officials." As the "Alaska BAR Membership Cards" and the "Licenses" to "Practice Law" are products of "Statutory Law" of the "State of Alaska,"⁹ they are "Public Documents" which are open to "inspection" by the "people" upon request. I, "Gordon Warren Epperly," hereby makes a "request" ("demand") for the production of "photo-copies" of those "Documents" of Judge Candidate, "Amy Mead," and any replacement "City Attorney" for the "City and Borough of Juneau" at "Juneau, Alaska."

Notwithstanding "PART II. RULES OF DISCIPLINARY ENFORCEMENT" of the "Alaska BAR Association" at "Rule 9(a)":

"License. The license to practice law in Alaska is a continuing proclamation by the supreme court of the State of Alaska" [Emphasis added].

you will not find anywhere in the "Constitution" for the "State of Alaska" that the "people" of "Alaska" have ever granted any "Judge" or "Justice" with "Executive Powers" to issue forth "Licenses." As the "Alaska BAR Association" is not defined anywhere to be a "Department" or an "Agency" of the "government" for the "State of Alaska" and as such,

⁹/ see "Footnote #1" and "Footnote #2".

its “members” have no authority to issue forth any type of “License” in the “name” of the “State.” No “objections” may be found in that “BAR Justices” may issue “BAR Association Membership Cards” under its own “BAR rules” and standards of “qualifications” for “membership” of its “BAR Members” as proclaimed by the “Legislature” for the “State of Alaska”:

“A.S. 08.08.010 – “There is created an **instrumentality** [corporation] of the state known as the Alaska Bar Association, referred to in this chapter as the Alaska Bar. The Alaska Bar shall have a common seal, may sue and be sued, and may, **for the purpose of carrying into effect and promoting the objects of the Alaska Bar, enter into contracts** and acquire, hold, encumber, and dispose of real and personal property.” [*Emphasis added*].

As no “member” of the “Alaska BAR Association” or the “Governor” for the “State of Alaska” have been able to locate a valid “License” to “Practice Law” (e.g. a “License” as issued under the “signature” of the “Governor” or the “signature” of any of his delegated “Officers”); may the “Legislature” for the “State of Alaska” be convened by the “Governor” /¹⁰ for the purpose of calling forth a “Constitutional Convention” /¹¹ to correct the “defects” of the “Alaska State Constitution.” /¹² In the meantime, the “Courts” for the “State of Alaska” should be “suspended” until they are administered by “Justices,” “Judges,” and “Attorneys” whom have in their possession a lawful “State” issued “License” to “Practice Law.”

^{10/} Alaska Constitution, Article III, Section 17 – “Whenever the governor **considers it in the public interest**, he may convene the legislature either house, or the two houses in joint session.” [*Emphasis added*].

^{11/} Alaska Constitution, Article XIII, Section 2 – “**The legislature may call constitutional conventions at any time.**” [*Emphasis added*].

^{12/} Alaska Constitution, Article XIII, Section 4 – “**Constitutional conventions shall have plenary power to amend or revise the Constitution**, subject only to ratification of the people. No call for constitutional convention shall limit these powers of the conventions.” [*Emphasis added*].

The “Governor” needs to overview the “status” of “Inmates” that are “incarcerated” in the “Prisons” of the “State of Alaska” to be sure that they are not being detained as “Political Prisoners” of the “State” by “usurper Judges” of our “Courts.” The “Governor” may need to use the “powers” of the “Office of Governor” to “pardon” or grant “clemency” /¹³ for those who have been “incarcerated” without authority of “law” or without authority of a “Judge” having been “licensed” to “Practice Law” by the “Executive Branch” of “government” for the “State of Alaska” as issued under the “signature” of the “Governor” or any of his “Executive Officers.”

I pray and hope that the “Officers” of the “State of Alaska” don’t “mock” the “people” and their “Constitutions” by administering “Oaths of Office” /¹⁴ to those who have no office qualifications to hold a “Public Offices of Trust” of the “State.” Any such “Oaths of Office” that have been administered, shall be “rescinded” by “notification” of the “Governor.”

Let us hope that “Complaints” will not be needed to be filed with the “Office” of the “U.S. Marshall” or with the “State of Alaska Commissioner of Public Safety” alleging that there are “people” who are representing themselves as “Attorneys” and those who are usurping the “Office” of a “Judge” or “Justice” of the “State of Alaska” by having no credentials of a “License” to “Practice Law” as required by the “Statutes”

^{13/} Alaska Constitution, Article III, Section 21 – “Subject to procedure prescribed by law, the governor may grant pardons, commutations, and reprieves, and may suspend and remit fines and forfeitures. This power shall not extend to impeachment. A parole system shall be provided by law.” *[Emphasis added]*.

^{14/} Alaska Constitution, Article XII, Section 5 – “All public officers, before entering upon the duties of their office, shall take and subscribe to the following oath or affirmation: “I do solemnly swear (or affirm) that I will support and defend the Constitution of the United States and the Constitution of the State of Alaska, and that I will faithfully discharge my duties as . . . to the best of my ability.”” *[Emphasis added]*

Alaska BAR Association, Rule 5, Section 3 – “.... Each applicant ordered admitted to the practice of law shall take the following oath before any state or federal judicial officer:

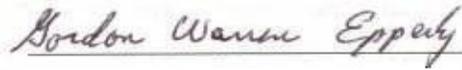

I do affirm:

I will support the Constitution of the United States and the Constitution of the State of Alaska;

I will not counsel or maintain any proceedings that I believe are taken in bad faith or any defense that I do not believe is honestly debatable under the law of the land [Constitutions]” *[Emphasis added]*

and "Constitution" for the "State of Alaska." For jurisdiction of the "U.S. Marshal" to investigate the "licensing" of "Attorneys," see wording of "U.S. District Court Local Rule #83.1".
