I have known Jay Ponsford for several years. Between the years of 1977 and 1984 he was self employed as a Glass Cutter and Window installer. During those years, he was trying to keep his business above water, but eventually failed to do so because of bad economics. At no time during those years did he ever earn an income in the amount that the IRS states he owed in taxes on the below "Tax Lien Release," so it would be impossible for Jay Ponsford to have owed over one million dollars in taxes as claimed by the Employees of the Internal Revenue Service. This is the daily practice of the IRS for they make fraudulent tax assessments for the purpose of destroying our friends, neighbors, and eventually, to destroy our Nation.

Did you know that the "Law" as published in the Federal Register (Wednesday, September 11, 1946 - Vol. 11, No. 177 - Pgs 177A-39 and 177A-41) /** declares that you and I are not the ones that are required to file "IRS 1040 Tax Returns" if your Employer has submitted an IRS approved "Statement Form" (better known as the "IRS W-2 Statement") to the IRS? Did you know that the "Law" requires "Employees" of the IRS to file "1040 Tax Return Forms" under "Oath" that the Assessment they make therein is "True and Correct" upon the receipt of an "IRS W-2 Statement Form" and mail to you a "Bill" for the payment of the Assessment and yet, not one of those IRS Employees have ever been sent to "Jail" by our Federal Judges for making "Perjury Statements" on those "Tax Returns" only your friends and neighbors go to "Jail" under false allegations of the U.S. Attorney. The term "statement" as used in 26 USC 6011(a), means the IRS W-2 Statement Form.

The below "Tax Lien Release" is further documentation that the IRS is nothing but a racketeering organization working for the "Jews" who own the Federal Reserve Bank. ALL MONIES COLLECTED ARE SURRENDERED TO THE FEDERAL RESERVE BANK, NOT TO THE TREASURY OF THE UNITED STATES. The government of the United States is controlled and owned by "Jews," not by the People or the States of the Union. We are being held hostage to an undocumented "Alien" as President of the United States who uses the IRS as a "Weapon of Mass Destruction" to destroy our Republican Form of Government. We all have seen high end employees of the IRS "lie" (Perjury) to the Congress of the United States and yet not one of them has lost their job or been placed under arrest. What does that say for the Members of your U.S. Congress?

Do you not see why U.S. Representative, Nancy Pelosi and other Jewish Members of the U.S. Congress assigned the IRS to the National "Affordable" Health Care Act as the oversight Organization to implement the Law? Do you really believe that the IRS will be looking after your Health Care Interest?

I don't like to use the term "Jew" for there are those who think of themselves as "Jews" who are as much victims as you and I. We also have those who identify themselves as "Orthodox Jews" while others think of themselves as "Zionist Jews," the two groups of "Jews" are not the same. But as there is no way to separate these terms in everyday usage, I have no choice but to use the word "Jew" in a generic reference, especially as the word "Jew" did not come into existence until the second printing of the King James "Holy Bible." I pray that the "Jews" will soon discover "Jesus" is the Christ our Lord and Savior (Messiah).

I reduced the size of this very important document just so I could put some emphasis on it.

Years ago - the IRS sent me an official notice that their 'Criminal Investigation of me had been discontinued' That was another very important document but this one tops that one. The challenge I made on this that never did go to court was the "JURISDICTION". They didn't nor do they now ever have just and proper jurisdiction. It has taken 30 years for me to get a WIN, and this I'm pretty sure is certainly a win.

If I had let this go to court those so many years ago I would have certainly lost my case.

First thing Monday morning we are going to have the county clerk of records record this. Even though on the face of the IRS lien it states that if the lien is not renewed by the next day after the last day of affect for the lien it is itself a release but the clerk of records would not remove it. Monday she will.
