## **Here is what the ACLU is against:**

- Nativity scenes on public property
- Sex offender registries
- Broadcast decency laws
- "Choose Life" license plates
- Tax exemptions for churches
- Posting of the Ten Commandments of public property

We should remember the way the ACLU works to get their agenda into law. They have never taken a single issue to the public and worked through the democratic system of voting. Rather, they find a sympathetic liberal activist judge to make law from the bench.
